SECTION 4. Plan Review Required

Plans Not Required Plan Review Submission No. _____

Plans must be submitted with an Application for Plan Examination and the appropriate fee before a permit can be issued, except as listed below. Plans are not required for the following:

1. One and two-family dwellings when the total building heating/cooling system input is 375,000 BTU's or less.
2. Alterations and repair work determined by the mechanical official to be of a minor nature.
3. Business, mercantile, and storage buildings having HVAC equipment only, with one fire area and not more than 3,500
3. Work completed by a governmental subdivision or state agency costing less than \$15,000.00.

If work being performed is described above, check box "Plans Not Required."
Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect's or engineer's seal and architect or engineer licensed pursuant to 1980 PA 299 and shall bear that signature.

SECTION 5. Applicant Signature

Section 23a of the state construction code act of 1972, 1972 PA230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of the state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

Signature of Mechanical Contractor or Homeowner:
(Homeowner signature indicates compliance with Section 6, Homeowner Affidavit)

Signature _____ Date _____

SECTION 6. Homeowner Affidavit

I hereby certify the plumbing work described on this permit application shall be installed **by myself in my own home in which I am living** or about to occupy. All work shall be installed in accordance with the Michigan Mechanical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Rives Township Mechanical Inspector.

I will cooperate with the Rives Township Mechanical Inspector and assume the responsibility to arrange for necessary inspections.

SECTION 7. Fees

Checks are payable to "Rives Township".

Enter the number of items being installed:

| <input type="checkbox"/> Tanks Underground Connection | <input type="checkbox"/> Compressor |

SECTION 8. Instructions for Completing Application

General: Mechanical work shall not be started until the application for permit has been filed with Rives Township. All installations shall be in conformance with the Michigan Mechanical Code. No work shall be concealed until it has been inspected. The telephone number for the inspector will be provided on the permit form. When ready for an inspection, call the inspector providing as much advance notice as possible. The inspector will need the job location and permit number.

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within twelve (12) months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work.

A PERMIT WILL BE CLOSED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN TWELVE (12) MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CLOSED PERMITS CANNOT BE REFUNDED OR REINSTATED.

Where to Submit Application: Rives Township is responsible for code enforcement in the township. Permit applications should be sent to the address on the front of this application. Questions regarding permits may be directed to the Rives Township Treasurer at 517-569-3100, ext 2#.
